Dear all,

Welcome to our news for September to November!

Happy Birthday Hellen

In September we had a party for Hellen to celebrate her 9th birthday. Baby Febronia and Joshua enjoyed taking part in their first party at Malaika! We had a lovely afternoon and all the children enjoyed the party and cake.

Holidays !

The children have now finished for the Christmas holidays and are enjoying their time at home by riding their bicycles, watching movies painting pictures.

Two trainees from Montessori Teachers College have also been spending time with the children. They have been very helpful assisting the children with their homework and other house activities. They have also taught the children lots of new songs and games and are helping the children to develop their dancing and drama skills.

Our Babies and Volunteers

Malaika's babies, Agnes, Febronia and Joshua are very healthy and gaining weight rapidly. They are very good babies, always smiling and shaking their hands and legs after feeding.

We send special thanks and say goodbye to our volunteers from Italy. We all had so much fun and we really appreciate all your generous help to Malaika. Thank you and welcome again!

Visitors & Donations

We kindly thank the visitors who make regular donations to Malaika. Your kindness will always be remembered. Thank you to **Maisha** Association for their ongoing fundraising efforts for this beautiful children's home. We appreciate your generosity. Malaika also thanks its supporters from all over the world for their generous contributions!

The Farm

Both cows are providing plenty milk for the house. The chickens are still laying eggs although not as many as during the summer.

Health Check Up

As part of a government campaign all the children obtained a full health check up. All the children under five year also received their vaccinations.

It is our biggest hope that you have enjoyed reading this newsletter.
